

Grand Prize Winner

RN William Lazdins was our **Grand Prize Winner** for our Auction U event. His grand prize included a fully paid vacation to the **Belleayre Mountain Ski Resort** in Highmount, NY. Upon being awarded with this prize, RN William said "Thank you White Glove for this amazing grand prize trip and all the recognition that has come with it. I'm so excited for this winter getaway to enjoy some skiing, sightseeing and relaxation with my family. Being recognized for my hard work and dedication to my patients is truly heartwarming and motivating to be the best nurse I can be."

RN William took his girlfriend along for the trip and was nice enough to share his wonderful vacation with us. Take a look into his adventures below. He was very appreciative and said, "Thank you guys so much for the opportunity to take this trip, it was so much fun and so many great memories were made!"

We are glad you enjoyed your trip and we are so thankful for all you do for our community!
